Re: FCC ID: YWZ-S3I0004

To Whom It May Concern:

The following application is submitted on behalf of our client, Alpha - High Theft Solutions, A Division of Checkpoint Systems, Inc., for evaluation of their model S3I-0004 for certification under FCC Part 15.247.

The FCC ID: YWZ-S3I0004 is an IEEE 802.15.4 transceiver operating in the 2.4 GHz ISM band. The equipment is wrapped around a product in a retail environment. The model S3I-0004 generates an alarm and notifies the store network after un-authorized removal.

The FCC ID: YWZ-S3I0004 was tested in full to the requirements of the aforementioned rules and was found to be in compliance.

Sincerely,

A handwritten signature in black ink that reads 'R. Sam Wismer'. The signature is written in a cursive, flowing style.
